

## RTD resumes work today on panel repairs south of I-25•Broadway Station

*Months-long project was temporarily paused to support last weekend's high volume of customers*

DENVER (July 17, 2023) — The [Regional Transportation District \(RTD\)](#) resumed work today on scheduled maintenance along the E, H and R lines south of I-25•Broadway Station in Denver.

The maintenance project to repair [coping panels](#) along I-25 was temporarily paused to address network communications issues and accommodate the high volume of customers using the system last weekend in downtown Denver.

The [extended project](#) includes maintenance and repairs to the caps on top of the retaining walls, called coping panels, that run along the Southeast Rail Line south of Broadway to Lincoln Station next to I-25. Customers will encounter periodic schedule adjustments through October related to the work.

Customers are encouraged to plan ahead by visiting RTD's [service disruptions webpage](#) to view adapted rail schedules and for tools to help with trip planning. For the latest details about impacts to RTD service, sign up for [Service Alerts](#).

Customers may also use RTD's [Next Ride](#) app to plan trips, view Service Alerts, and see bus and train locations in real time.

For additional route and schedule information, call RTD Customer Care at 303.299.6000. Agents are available 6 a.m. to 8 p.m. on Monday through Saturday, and 9 a.m. to 6 p.m. on Sundays and holidays.

RTD thanks customers for their patience as the agency works to make lives better through connections.

### ABOUT RTD

The Regional Transportation District develops, operates and maintains a public transportation system that meets the transit needs of close to 3 million people within an eight-county service area in the Denver Metro region.
