

## **¡Viva! Streets Denver event to cause temporary detours, delays for RTD routes**

*Scheduled connections could be affected; customers encouraged to allow extra travel time*

DENVER (May 9, 2023) – Some [Regional Transportation District \(RTD\)](#) bus and rail services will experience detours from 8 a.m. until 2 p.m. Sunday, May 14, due to the ¡Viva! Streets! event in downtown Denver.

¡Viva! Streets Denver is a free community event series that celebrates Denver's vibrant neighborhoods and supports local business with temporary car-free streets. Over four Sundays from May through August, approximately 3.5 miles of downtown streets will close to cars and open to people as the city celebrates a “ciclovia,” or “bike parkway,” aimed at encouraging physical activity and fostering civic pride.

¡Viva! Streets Denver will take place May 14, June 4, July 9 and Aug. 6 and may temporarily affect RTD bus and rail routes that run along and across Broadway from Alameda to 20th Street and Welton Street from 20th Street to Five Points.

### **Bus routes:**

The following bus routes will be temporarily detoured in many areas and will be allowed to cross the community event route when possible: 0, 6, 8, 9, 10, 15, 15L, 19, 28, 48, 52, 83 and the 16th Street Free MallRide shuttle.

### **Rail routes:**

The L line will not operate during the event. Customers can explore bus Route 43 as an alternative. L Line service will resume after the event ends. Service on the D and H Lines will not be affected.

### **ABOUT RTD**

The Regional Transportation District develops, operates and maintains a public transportation system that meets the transit needs of close to 3 million people within an eight-county service area in the Denver Metro region. RTD's buses, rail lines, shuttles and additional services provide approximately 100 million annual passenger trips.
