

RTD L Line light rail service reduced to 30-minute frequency Aug. 22-25 during maintenance work

L Line will run on a single track along Welton Street; customers are encouraged to explore bus Route 43 as an alternate service

DENVER (Aug. 22, 2023) — The [Regional Transportation District \(RTD\)](#) will conduct maintenance work on the L Line light rail tracks along Welton Street Tuesday through Friday of this week.

Crews will work on one track at a time, leaving the other track available for customer boarding. However, with trains running on a single track, service will be reduced to 30-minute frequency, departing Downing station at :19 and :49 after the hour.

Customers can explore [Bus Route 43](#) as an alternate service while work is taking place.

Normal service will resume on Saturday, Aug. 26. Customers are encouraged to use RTD [Next Ride](#) web app to plan their trip, view other options and receive [Service Alerts](#).

RTD thanks L Line neighbors and customers for their patience as the agency works to make lives better through connections.

RTD continues to offer zero fares through the end of August across the entire system as part of the [Zero Fare for Better Air](#) initiative.

ABOUT RTD

The Regional Transportation District develops, operates and maintains a public transportation system that meets the transit needs of close to 3 million people within an eight-county service area in the Denver Metro region. RTD's buses, rail lines, shuttles and additional services provide approximately 100 million annual passenger trips.
