B) Project Information

Project Description (a few paragraphs describing your project in more detail)
For funding requests for mobility services, please answer the following four questions:
What are the proposed days and hours of operation?
2. Have you had any conversations with service providers? <i>Note that the service provider will</i>
need to be selected competitively.
3. Will you charge the customer for the service?
4. What is the area of the proposed service area (in square miles)?

Please provide a project implementation timeline, either below or attached to your application, including launch date and important milestones. <i>Assume a minimum of four months to complete agreements and procure a service provider (if applicable). RTD will announce awardees in August.</i>
RTD hopes to fund projects that are "shovel-ready." Please describe other funding sources,
amounts, your experience in managing these types of projects, and note potential risks to project implementation. If your project includes funding from outside sources, include a letter of support or documentation of the funding source.
Does your organization have a procurement policy and/or standards? If yes, please provide
additional information, such as a link to the procurement policy, attach the policy to your submission, or describe your organization's procurement policy. RTD will provide procurement support for organizations that do not have a procurement policy and/or standards in place.

C) Project Data

Using <u>DRCOG's Data Tool</u>, please provide the following information about populations served. For fixed-route proposals, include populations within a ¼ mile buffer. For on-demand proposals, include populations within the service area boundaries.

Total population	
Total households	
Individuals of color	
Low-income households	
Individuals with limited English proficiency	
Adults age 65 and over	
Youth Under 18	
Individuals with a disability	
Households without a motor vehicle	
Households that are cost-burdened	

D) Project Budget

Calendar Year	RTD Funding	Local Funding	Total
2025			
2026			
2027			
		Total Project Cost	

Describe sources of funding, including any contingencies (necessary budget approvals, etc). Local match must be a cash match; in-kind is not eligible as match. If approved, projects will be reimbursed up to 80% of project costs by RTD. Reimbursements will be made either monthly or quarterly.
Operating cost assumptions (e.g. cost per hour)
Is your project/funding request scalable? If so, please indicate the least amount of funding you could accept, and how the project scope would be reduced. If not, please explain justification for non-scalable projects.
Are you proposing to purchase vehicles and how will you procure?
Proposed vehicle cost assumptions, if applicable:
Proposed verticle cost assumptions, if applicable.
Where will vehicles be serviced and maintained? <i>Note that RTD is unable to service and maintain other organization's vehicles.</i>
