

Southeast Corridor Track Repair 48 Hour Update

SE Corridor Track Repair Update

Date:	6.18.2024	Reported by:	Brian Farris
Time (military):	1645	Job Title:	General Superintendent, Infrastructure MOW

Work completed in the last 48 hours:

This report covers Monday 6/17/24 and Tuesday 6/18/24.

In the last 48 hours the Maintenance of Way (MOW) department has successfully hauled the required rail from the Bayaud yard to track segment #51, Belleview to Orchard Station, without incident. This rail will be installed June 19-20, 2024, on the B-track between the 11:00 p.m. to 5:00 a.m. work window.

Inspection of track continues along Segment #45, Yale to Southmoor, track is being marked for replacement and joint bars are being installed.
