B) Project Information

Project Title
Briefly describe the project location. <i>Please include a map and GIS layer (as a .zip file) as an attachment with your submission. If you need assistance creating a GIS shapefile for your service area, please reach out to Cory Schmitt (cory.schmitt@rtd-denver.com) no later than April 30.</i>
Project Type (select one)
Fixed-route transit service – service operating on a specific route On-demand transit service – demand-responsive service operating in a specific area Other mobility service – service that does not fall into the above two categories Other – project that does not provide service, but enhances mobility through other means

<p>Please provide a project implementation timeline, either below or attached to your application, including launch date and important milestones. <i>Assume a minimum of four months to complete agreements and procure a service provider (if applicable). RTD will announce awardees in August.</i></p>
<p>RTD hopes to fund projects that are “shovel-ready.” Please describe other funding sources, amounts, your experience in managing these types of projects, and note potential risks to project implementation. If your project includes funding from outside sources, include a letter of support or documentation of the funding source.</p>
<p>Does your organization have a procurement policy and/or standards? If yes, please provide additional information, such as a link to the procurement policy, attach the policy to your submission, or describe your organization’s procurement policy. RTD will provide procurement support for organizations that do not have a procurement policy and/or standards in place.</p>

D) Project Budget

Calendar Year	RTD Funding	Local Funding	Total
2026			
2027			
2028			
Total Project Cost			

Describe sources of funding, including any contingencies (necessary budget approvals, etc). <i>Local match must be a cash match; in-kind is not eligible as match. If approved, projects will be reimbursed up to 80% of project costs by RTD. Reimbursements will be made either monthly or quarterly.</i>
Operating cost assumptions (e.g. cost per hour)
Is your project/funding request scalable? <i>If so, please indicate the least amount of funding you could accept, and how the project scope would be reduced. If not, please explain justification for non-scalable projects.</i>
Are you proposing to purchase vehicles and how will you procure?
Proposed vehicle cost assumptions, if applicable:
Where will vehicles be serviced and maintained? <i>Note that RTD is unable to service and maintain other organization's vehicles.</i>
