

# Bulk Mobile Ticketing

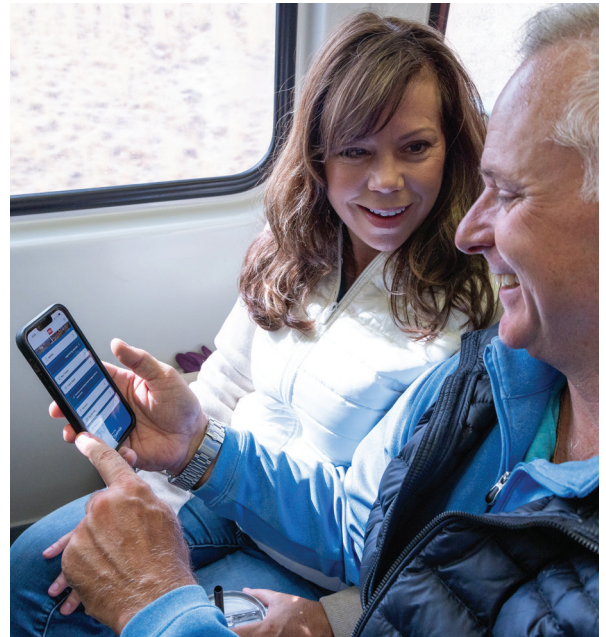

Bulk mobile tickets offer the perfect opportunity for organizations that want flexibility in how they distribute fares to their employees and visitors for conferences or event needs.

## We offer everything from one-time passes to frequent purchases:

- Option to purchase 3-hour, day, airport and monthly passes.
- Mobile passes are distributed digitally through the RTD MyRide app.
- Receive a 10% discount for invoices over \$1,500.

## Steps to Sign Up for Bulk Mobile Ticketing:

- 1** Sign a contract (takes approximately one week to sign contract and set up account).
- 2** Instruct participants to download the RTD MyRide app and create an account with the email they provided.
- 3** Issue electronic passes to MyRide accounts at your convenience.

## RTD Offers Easy Set Up and Support:

- RTD will create an account for organizations to issue electronic passes to MyRide accounts (tickets are issued in real time).
- We will provide training and instructions on how to download the MyRide app and create an account.
- Our Market Development Consultants are available to assist as needed.
