

# RTD EcoPass Interest Survey

This survey is to gauge interest in the Neighborhood EcoPass (NECOPass) Program. The per-household cost for the NECOPass Program for the first two years is \$125/household/year. After the first two years pricing is based on utilization. NECOPass provides unlimited access to all RTD Fixed-Route Service to include light rail, commuter rail , bus service and FlexRide. Access-a-Ride and Access-on-Demand are not included under the NECOPass Program.

Q1 What is the name of the apartment/townhome/condominium complex that you live in?

---

Q2 Would you be interested in receiving an RTD EcoPass that would allow you use of all RTD services, including travel to Denver International Airport?

☐ Yes

☐ No

Q3 What mode(s) of transportation do you usually take to get where you need to go? Please select all that apply:

- ☐ Personal/family vehicle as a driver or passenger
- ☐ A friend's vehicle as a passenger
- ☐ RTD bus
