

## Investment Status

# Rail Reconstruction and Modernization

**RTD is meeting challenges and delivering transit services to the communities we serve.**

### Location

D, E, H, and W Lines

### Description

Maintaining and modernizing existing rail lines, including planning for needed infrastructure reconstruction in a holistic manner. Will include evaluating reconstructing track, traction power sub-stations, and signaling systems. Project will benefit our customers by improving safety, reliability, access, and customer experience.
