
HOW TO APPLY FOR ADA PARATRANSIT RECERTIFICATION

Access-a-Ride is RTD's complementary paratransit service. Like the regular bus, it is shared ride service. Eligibility for Access-a-Ride service is determined by the impact a disability or disabling condition has on one's ability to use bus/rail service, not on the presence of a disabling condition. Eligibility is established under the guidelines provided by the federal government.

Similar to regular bus service, there may be multiple stops en route to your destination.

How to apply in 4 easy steps:

1. Complete the enclosed Application form.
2. Download the Medical Verification Form. Sign the Authorization for Release of Information and provide the form for completion to your licensed Medical Provider who is familiar with your disability.
3. Return both parts of the *completed forms* (6 pages) to RTD via USPS at:

RTD
c/o Access-a-Ride
1660 BLAKE ST
DENVER, CO 80202 *OR fax it to 303-299-2169*

Once RTD has reviewed the completed documents, they will be forwarded to our assessment center, and you will be contacted for scheduling via an automated call system.

4. Participate in an in-person certification appointment. RTD will provide transportation to this appointment if needed. ID photos will be taken during this appointment.

Please let us know if you need translation of interpretation services for this appointment.

What to do on the day of your certification appointment

1. Wear clothing appropriate for the weather.
2. Bring the mobility aids that you primarily use (or will use) on public transportation.
Note: our vehicles can accommodate a combined weight of up to 800 pounds.
3. Bring a photo ID card.
4. Bring someone to assist you with personal care tasks if needed.
5. If you use oxygen, bring enough for at least 3 hours.
6. Bring a snack if you feel you might need one.
7. Bring medications that you will need during the time you are away (up to 3 hrs).

Applications not completed within 90 days of submission will be considered withdrawn.

Important note: All determinations are made based on the information gathered from your application, medical verification form, and your assessment. Applicants who wish to appeal their eligibility determination will be provided with information on how to make an appeal when their assessment results are mailed.
