

Investment Status

Car Wash Doors at District Shops

RTD is meeting challenges and delivering transit services to the communities we serve.

Mode

Bus

Location

District Shops

Description

Replace four large overhead doors in the car wash area at the District Shops facility. These doors provide access to the car wash for most of the non-revenue vehicles for the district. The doors are automatic and provide a layer of protection from the cold.

Phase of Investment

Construction

Funding Source

RTD Funded
