

Investment Status

Southeast Corridor Stair Replacement Program

RTD is meeting challenges and delivering transit services to the communities we serve.

Mode

Light Rail

Location

Colorado and Louisiana•Pearl station

Description

Replace two stairs at the Colorado station in 2027 and two stairs at the Louisiana•Pearl station in 2028. Stairs are showing advanced deterioration requiring extensive patching and mitigation measures to alleviate tripping hazards on walking surfaces.

Phase of Investment

Design

Funding Source

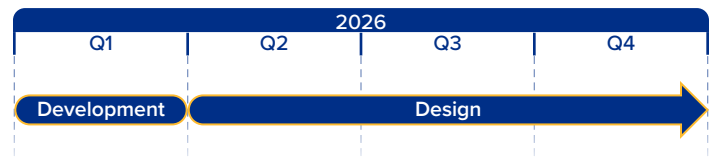

RTD Funded

Schedule Status

On schedule

Milestones to be completed in 2026

- Evaluate concrete alternatives such as aluminum and fiber-reinforced polymer to extend service life and minimize maintenance
- Begin design phase
- Define scope of work and prepare detailed drawings and specifications
- Prepare cost estimates and schedules

Benefits for the Customer

Safety

Access

Customer Experience

Improve customer experience, safety, and access by replacing deteriorated stairs along the Southeast Corridor.
