Modernize Ticket Vending Machines

RTD is meeting challenges and delivering transit services to the communities we serve.

Mode

 Systemwide

Location

Systemwide

Description

Remove and dispose of 185 existing ticket vending machines, and install a total of 173 new machines. New ticket vending machines will be installed at existing locations and along the East Colfax Bus Rapid Transit (BRT) corridor.

Phase of Investment

Design

Funding Source

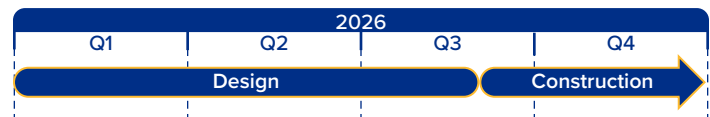

RTD and Federal Transit Administration Funded

Schedule Status

On Schedule

Milestones to be completed in 2026

- Complete procurement and select contractor
- Begin construction

Benefits for the Customer

Access

Customer Experience

Improve customer experience and access by replacing outdated units with modern machines across RTD's system, making fare purchases faster and simpler.
