

Investment Status

Table Mesa Park-n-Ride Structural Repairs

RTD is meeting challenges and delivering transit services to the communities we serve.

Mode

Bus

Location

Table Mesa Park-n-Ride

Description

Complete structural concrete repairs and refurbish the front-facing stair tower at the Table Mesa Park-n-Ride. Cap existing planter boxes on exterior of garage to halt water intrusion.

Phase of Investment

Construction

Funding Source

RTD Funded

Schedule Status

Delayed

Milestones to be completed in 2026

- Begin construction
- Work delayed due to discovery of lead paint on the structure
- Develop change order with contractor to safely address lead paint without impacting customers
- Continue construction, including pressure cleaning the stair tower and prepping for new paint

Benefits for the Customer

Safety

Access

Customer Experience

Improve customer experience, safety and access by repairing critical elements like stair towers, roofing, and concrete in the garage and preventing unexpected closures.
